

# PEKOS VALVES

## PEKOS-ID

### Direct Acces To PEKOS Article Portal From Your Smartphone

- Pekos ID is the new IDentification system implemented at all our valves.
- Easy and clear product identification at the marking of the valve, including a unique and individual QR code which get you instantly to **Pekos Valves Online Documentation Site**.
- User-friendly interface, with updated 2D & 3D, Datasheets, IOM's and Spare parts lay-out.
- Pekos Valves ID QR is the quickest and easiest way to find the specific valve documentation while assembling and maintaining works at plant, just using a smart device.
